United States Orders

Greeting Cards
Each 5 3/8 X 7 1/4 inch greeting has a gold bordered window cover, or jacket, revealing a reproduction of an original pen and ink illustration with some colored highlights. Each card opens to display a greeting. Cards come with either red, green or teal jackets. Specify your preference or allow us to choose.

Card Quantities
All cards are sold in multiples of 50 of each style. Minimum order is 50 cards. Different styles of Plain Cards may be combined, in multiples of 50 cards, in the same order. Different styles of Imprinted Cards can also be combined if the imprinting is identical.

Plain Cards
Plain Cards are printed with the illustrations and greetings as shown but no Company Name. You must sign or stamp them.

Imprinted Cards
Imprinted Cards will have your company name inside the card. A maximum of three lines in black ink with up to 44 characters per line is recommended.

Logo Set Up Charges
Add a $20.00 logo imprinting charge when ordering cards imprinted with your logo inside. Suitable artwork is also required for logo imprinting. A business card or letterhead is generally sufficient. When ordering or writing to us, please to not staple or apply tape over the logo on your camera ready art, letterhead or business card. We file this information for use in case you request your logo on future orders.

Additional Imprinting Set Up Charges
The prices for Imprinted Cards and Envelopes include one set up charge. If part of your order is to be imprinted with a different name or address, add $20.00 for each additional set up required.

Special Requests
Changing the verse or personalizing the scene on the front of the card is often possible. This is subject to minimum quantities and additional charges. Call us as soon as possible if you are interested.

Envelopes
Plain white envelopes are supplied with your cards. Your return address will be imprinted on your envelopes for the additional charge shown in the price list.

Prices are F.O.B. our nearest U.S. port of entry, Sweetgrass, Montana. Cards are generally shipped via UPS or FedEx.
